

Embrace Community

from Centre Wellington Township

The Township of Centre Wellington recognizes our community's great need for healthcare workers to serve our residents and are so grateful for you coming and working with us. The

Farmhouse is on donated Centre Wellington property; it is a beautiful, scenic location for you to come back to after a long shift to relax. The

Township also ran the Wi-Fi in the house and brought it up to code for fire safety, so you can feel safe and comfortable while living here. The Township of Centre Wellington is excited to welcome you to our community and hope you feel at home here!

www.centrewellington.ca

Thank you to the Township of Centre Wellington for the land the Farmhouse sits on and making sure it is safe for the amazing healthcare workers living in it. Please make yourself comfortable and explore all the amazing things to do in Centre Wellington!
